

REMARKS

Please accept this amendment after allowance. The original petition to petition to accept an unintentionally delayed claim of priority under 37 CFR 1.78(a)(6) was filed with the Office on July 10, 2006, prior to payment of the issue fee. The petition was denied because the amendment to the specification making the claim of benefit was embedded in the petition and included an incorporation by reference. The Office mailed its Decision on the Petition on March 19, 2007.

This amendment is submitted to correct these issues raised by the Office in denying the original petition under section 37 CFR 1.78(a)(6).

Applicant believes that a proper claim of priority has now been established. Should the Office believe that a telephone conference would resolve any outstanding issues regarding this application, the undersigned can be reached at the telephone number set out below.

Respectfully submitted,
